

# FAMILY HISTORY NEWS!

**This could be a rare opportunity to listen to a world renowned speaker on family history right here on the surf coast**

**Lady Teviot, Vice-President of the Federation of Family History Societies UK** will be the guest speaker for the Surf Coast Family History Group on Tuesday 4th March 2014.

The half-day Family History Conference will be held at the Anglesea Senior Citizens Hall in McMillan St, Anglesea from 2.00pm to 4.30pm.

Lady Teviot will speak on:

## **THE PARISH CHEST:**

A valuable source used in conjunction with the parish registers as they help to show how people lived and include the overseers accounts, the highway accounts and settlement and removal orders.

## **HOSPITAL RECORDS:**

Their records and how to find them. A physical description of an ancestor is often not known but these records as well as giving this description give a record of their treatment and admission and discharge.

Lady Teviot has been involved with Family History Research for over 35 years and is well known internationally for her extensive knowledge of family history research.

Lady Teviot has lectured widely in the United Kingdom, USA, Canada, New Zealand and here in Australia where she has taken part in a number of television and radio programs.

Lady Teviot is Vice-President of the Federation of Family History Societies, UK and member of the Executive Committee of the Sussex Family History Group.

Tickets \$15 (includes afternoon tea). There will be door prizes.

Registration will begin at 1.30pm and the conference commences at 2.00pm.

Please book your interest but you can pay at the door on arrival.
