*** 1 ***
Welcome to the new year, and, depending on your point-of-view, the new century and the new millennium.

Congratulations and many thanks to Marie Boyce for her leadership of the Cemetery Walks during the holiday period. They were well attended and enthusiastically received. Many thanks also to the other members who went along to collect the money or just lend general support. Well done, all!

A major challenge for the year is to encourage more members to become actively involved in the work of the Group. This will allow us to meet the needs of our host, Flagstaff Hill Maritime Museum, to have the library open more frequently. It might also make it easier for us to replace our Resources Officer(s) following the decision of Lucy and Helen to turn their energies to other activities.

The year ahead has plenty to offer, with a visit from the State President, Mr Don Grant, to our April 13 Meeting; our Seminar on Saturday 20 May [Marie has plans well underway]; and some form of celebration for the group's 20th birthday later in the year - August maybe.

Many thanks to Doug Holmes for penning the item which follows. It is indeed sad when accidents or other events bring an untimely end to a person's life.

Several of our members have been undergoing tests and/or procedures of various kinds, and we trust that all goes well for those involved.

I look forward to working with you all to further progress the achievements of the group in 2000.

Ray Welsford

**VALE BEV RUNDLE**

Members of the Warrnambool Family History Group were saddened to hear of the death of well-known Portland Family Historian Bev Rundle in a motor accident in outback Queensland during January.

Bev was well known to members over a long period of time, having spoken to the group a number of times, most recently at our Shipping Day late last year. Bev had assisted and become friends of several of the members over the years, and was respected for her knowledge especially of Portland shipping and district families, and Tasmanian research. Her down to earth humour, and her generosity will be sadly missed by all who came into contact with her.

Bev’s passing will have a profound effect on all who knew her, and will leave a huge gap in the community of family historians in South Western Victoria.

Sincere condolences to the Rundle family, History House staff, and members of the Portland Family History group.

Vale Bev
