<p><b><i>ROTARIAN TESTIMONIALS</i></b></p>		
<p>I have found that membership has allowed me to keep the Club abreast of the problems in our community which in turn has resulted in fantastic support for the work the Salvation Army does in the Community. – <b>Russell Anderson</b></p>		
<p>I have always enjoyed contributing to the Administration side of Club Service and gain much pleasure from organising our Annual Charity Golf Day. – <b>Ivan Board</b></p>		
<p>Belonging to Rotary has been a real passion for me. I have been able to see and act on International programs like “Polio Plus” and “Save Water Save Lives” which make a real difference to health and well being in developing countries. – <b>Joe Gianchino</b></p>		
<p>I do enjoy attending the meetings and I love making my contribution by restoring bicycles which are donated to very needy children in the community. – <b>Jack Davidson</b></p>		
<p>Club Administration is vitally important, as is indeed the role of Treasurer. This is a role I do enjoy and have performed on many occasions for the Club. – <b>Peter McDermott</b></p>		
<p>I joined Rotary to benefit from the interaction with business people like myself. I had no idea this would lead to leadership roles in the Club and also the opportunity to serve at District level as an Assistant Governor. A thoroughly rewarding experience. – <b>Ken Vazquez</b></p>		
<p>I have always been passionate about serving the community and particularly fostering the development of its youth. I look back with pride at the planning and organising of the first Model United Nations Assembly (MUNA) for school students which now is a highly successful annual event for Youth in the District. – <b>Barry Douglas</b></p>		
<p>Being the first lady to join the club, it was amazing to find myself progressing through to Club President, arranging a matching grant from Rotary International’s Foundation for Water Filters in the Philippines and now becoming an Assistant Governor. Rotary offers all sorts of wonderful opportunities and new found acquaintances. – <b>Jan Douglas</b></p>		
<p>I have recently come through the youth organization Rotaract and gained much experience in Rotary’s youth programs like Youth Leadership (RYLA). It was a natural progression for me to become a Rotarian, become a Director and pass on this experience to the Club and indeed to the District – <b>Bronwyn Fanning</b></p>		
<p>When recently travelling to Poland, I was able to attend a local club meeting and experience the goodwill and fellowship that is a hallmark of Rotary globally. – <b>Hans Kopans</b></p>		
<p>One of the key activities for the club is organizing fund raising activities and social events. Apart from a Charity Golf Day and Debutante Ball we hold events like Sausage Sizzles a Major Raffle and a Bowling night. These events are great fellowship and fun. – <b>Charlie Montebello</b></p>		
<p>Meeting people and learning more about Rotary and its service to the community is in no better way accomplished than by attending the District’s Annual Conference. Interesting and challenging speakers, a variety of venues throughout Australia make this event very popular. – <b>Bryan Goodwin</b></p>		
<p>I am always proud to be a Rotarian when I see the funds we raise go towards people</p>		

in real need. Recent examples have been Victorian Bushfire victims and those struggling in Victoria's north from the prolonged and devastating drought. – **Bronwyn Aspinall**

It is just awesome to see the power of Rotary International's Foundation at work. Coupled with a dollar for dollar match by the Bill and Melinda Gates Foundation Rotary has led the way to almost eliminate Polio in the world. – **Chris Davis**

Every year it is a pleasure to help organize our annual Debutante Ball. Being the only such event in the region gives an opportunity for young girls and their partners to participate in this gala evening. – **Frank Landells**

I am a passionate Rotarian and see the benefit of the collective power of like minded business people and professionals. By providing my expertise in Public Relations the endeavours of the Club can be better highlighted to the community and has helped to bring new people into our organisation. – **Robyn Grigorovitch**
