Kevin

It is with deepest regret, that I have to inform you of the sad news of the passing away of our dear friend Kevin Vanderstoel.

He was a great friend and a huge asset to our group. we will miss him a lot, not only for all the work he did but for his great friendship and support.

He liked a joke and we all had many a laugh when we gathered for our weekly get togethers at our research rooms.

I was told that you should not mourn his death, but celebrate the life he had.

I want to wish Betty all the best, and to offer her all my support.

Our deepest sympathy go to you and your family Betty.

Our first year report from the chair

Our first year for the Anglesea Family History Group was a Fantastic year, and I want to thank you all for your support. Thank you to all our members.

I feel it is a necessity to have a Family History group in our local area, it is a hobby that is very stimulating and when you find your ancestors, you have a great sense of belonging and well being.

Our first meeting will be February 8th next year; it will be an open invitation to (Invite a friend.)

This year, we have gradually built up our records and indexes, but to have a good collection that covers most area's we need to purchase a lot more.

The Committee, and I will be working hard to find records that will benefit our members, and when funds are available we will buy.

We are currently organising the purchase of the N.S.W. Federation records on Microfiche, at the cost of \$291.50 this includes GST We don't pay postage on Microfiche, thank goodness.

Next year we have an interesting calender for you, and I am sure there will be something for everyone. Through our monthly meetings, we will cover old traditions, old photographs, using the Internet for family history.

We will have speakers giving talks on Irish and Scottish research. We will show you ways to file records, such as Certificates and other documents on (Improving your filing system).

We will give you the chance to tell us of any interesting ancestors you have, when we have our meeting that covers (Family stories).

We have two trips planned for the year, one to the Melbourne record centre and one to the Genealogical Society of Victoria.

Lets make next year bigger and better, we have a fun year planned, so I hope to see you there.

Best wishes to you all for the holiday season.

Pat Hughes.
