

YERING DISTRICT ARCHERY

NOVEMBER NEWSLETTER

CHRISTMAS SHOOT

Our Christmas shoot has been organized for Saturday 5th of December.

It will start at 8:30 with breakfast (bacon and eggs).

Practise will start at 9:30 and shooting will start at 10:00 a.m

There will be a Canberra round for Seniors 60,50 and 40 metres.

There will be a Junior Canberra round for Juniors 40,30 and 20 metres.

There will also be an intermediate round, short Canberra 50,40 and 30 metres for anyone who feels like they are unable to do the senior round.

There will be trophy's/medals awarded on the day.

There will also be novelty events including a one arrow shoot-off, a match play round, a 'V' shoot off and a clout event for anyone who wants to have a go.

CLUB SHOOT.

Next year we want to run a once a month club shoot for everyone to participate with a handicap system in place so that everyone will be on a level playing field. Points will be awarded for all place getters and we will have an "Archer of the Year" trophy for your best 5 scores of the year.

CLUB SHIRTS

We are currently looking into getting new club shirts. Our current shirts are no longer available so we are looking into a new design. Hopefully we can decide on a new design shortly and have orders filled before the Christmas shoot.

FOR SALE

In the near future we will have a For Sale section in the newsletter so if anyone has any archery gear for sale we can post it in the newsletter.

NEW LOOK

Hopefully the grass will be cut this week and now that the linemarker is working well, we can mark all the distance lines and lanes properly. Thanks David Furhoff.

FOOD

We will be introducing new food lines as an alternative to the weekly bbq or hot dog stand.

ARCHERY VICTORIA CARDS

Archery Victoria is no longer producing membership cards as they were not being used for any purpose. Archery Australia cards and membership numbers are being used instead for tournaments etc.

RANKINGS

Ranking scores are being updated on the website as Carl receives score sheets. These scores will help to work out handicaps for next year. Even though the thought of completing a round can seem a little daunting you are really only competing against yourself and your personal best scores and it gives archery a new sense of purpose.

INPUT

Remember any input or ideas or anything for sale you can contact Michael at emenjay@netspace.net.au

P.S Jarrad is growing his Mo for Movember. Details on sponsorship etc are available on the website at <http://home.vicnet.net.au/~archers/>.
