A Special General Meeting ...

Will be held on Wednesday 23rd September 2009 at 7.30pm at the Nerve Centre. The following resolution will be proposed as a special resolution:

“That the constitution be amended to provide that, in the absence of an office-bearer, or when the committee deems it necessary, the committee may appoint one of the remaining committee members of the committee as chosen by the members present to carry out the duties of that office-bearer.”

As our constitution already makes provision for the President and Vice-President (Clause 25(b)) these proposed alterations will refer to the Secretary (Clause 26 b) and the Treasurer (Clause 27).

If this special resolution is passed, it is then proposed that the following changes will be made to the constitution:

SECRETARY

26.b If the Secretary is absent, or when the committee deems it necessary, one of the remaining members of the committee chosen by the members present shall carry out the duties of the Secretary.

TREASURER

27a(1) If the Treasurer is absent, or when the committee deems it necessary, a member of the committee, who is a co-signatory of the Association, chosen by the committee, shall carry out the duties of the Treasurer.

27a(2) When necessary, a member of the committee, who is a co-signatory of the Association, chosen by the committee, shall assist the Treasurer to collect, receive and receipt all moneys due to the Association and make payments authorized by the Association.

All members are invited to attend this meeting and vote on this special resolution.
