

CALLING ALL BUDDING ARTISTS!

The Boroughcouthas Masters Swimming Club runs the Queenscliff Blue Water Challenge every January and once again we need help with our T shirt design.

If you can come up with the winning design you can win City of Greater Geelong Swimming Pool visit cards and have over 600 people wearing your design on a t shirt....WOW !

Here are the rules....

- Your theme should have something to do with *Queenscliff beach and pier, The Ocean, The Sea, Swimming in the Ocean, fish, Sea Creatures.....etc*
- Your design must fit on A4 size paper or cardboard
- Use a maximum of 4 colours
- Use Textas, oil pastel, paints to make it stand out
- Try not to make the picture too 'busy'... keep it simple

The winning design and honourable mentions will be decided by our club members in conjunction with our screen printers at Propaganda.

Please place your design and completed entry form in the box provided at your school office (make sure you protect it so it doesn't crumple)

Entries close 31st August

For more information about our club, our swim and T shirt design competition details please take a look at our website

www.vicnet.net.au/~bcmsc or contact Margie Heffernan 0417 581637
