2007 Wine Fundraiser

Rotary Shares

The Rotary Club of Boroondara presents the 2007 Wine Selection as a major fundraiser. The proceeds from the sale of this wine will provide funding for The Rotary Club of Boroondara's **Major projects**. Club projects to be completed this year include East Timor Water project, Resilient Kids - Walk and Talk 4 Kids.

Background:

Each wine has been specifically sourced for their quality and value for money.

- The SA Brut is sourced from a large winery that uses this production as a small revenue-raising venture. A super drink that is full of flavour and a clean finish.
- South Eastern Australian Dry White 2006 Notes: Brilliant, a failed export order that is the best value white that we can find in the current market.
- South eastern Australian Semillon Sauvignon Blanc Notes: Light, crisp and clean. A great summer quaff.
- The Coonawarra Cabernet Sauvignon 2004. Due to the amazing popularity of the 2001 vintage, we were able to find the next available vintage. Still exceptional value for money just a little bitter and full in its style.
- The big one. The Yarra Valley Shiraz 2004 has been one of the surprise packets of the year. Dense plum fruit and plenty of black pepper overtones.
