**GROENENDAEL – DOGS**

**CLASS 01 – BABY PUPPY DOG: (2 Entered/1 Absent)**

**1<sup>st</sup> NO. 1 DELAROCHE SPICE OF LIFE (C. RUSSELL)**

Scissor bite, tall, high on legs, quite a long head, lacks chiselling, ears well placed. Nice eye colour. Good chest, well sprung, nice back, croup a little sloping. Good bone and angulation. Feet rounded. Lots of undercoat, nicely dense, attentive expression but a bit timid. Nice length in stride, tail well carried on move. **VERY PROMISING**

**CLASS 03 – PUPPY DOG: (2 Entered)**

**1<sup>st</sup> NO. 3 BELJEKALI SUPERNOVA (C.A. & J.A. FYNMORE)**

Lovely type, but a bit feminine. Full dentition, scissor bite and powerful. Long narrow head, forehead a bit sloping, no stop, slightly Roman nosed, nice dark eyes, too almond in shape. Ears medium size, well placed but a bit wide at the base. Excellent top and underline, excellent proportions. Good length of fur for age, dense enough, culottes a bit rusty in colour. Excellent gait and movement, bit narrow front and back on move. **VERY PROMISING**

**2<sup>nd</sup> NO. 4 LUMINEUX BLACK NIGHT (E. Poey)**

Full dentition, scissor bite, light pigmentation of mouth, lips not dry enough, could be more chiselled, beautiful eyes, slightly Roman nosed, medium size ears – could be wider at the base and more triangular. Slightly rounded topline, lacks belly, well sprung chest, ribs a bit flat, chest a bit narrow. Good length fur, quite thick, cot too soft, slightly wavy. Stride could be longer and with better drive. Tail very gay on move. **PROMISING**

**CLASS 04 – JUNIOR DOG: (2 Entered)**

**1<sup>st</sup> NO. 5 CH GRANDBELGE ERACK HT (T. Kingston)**

16 months. Light – beautiful frontal expression, well split mouth, scissor bite, but worn out canines. Very dark eye, too almond shaped. No stop, slightly Roman nose, ears a bit wide, nicely triangular, set a bit high. Slightly sloping croup, lacks belly, correct angulation, light in bone, pasterns could be firmer, coat good length and texture. Slight discolouration on culottes. Supple gait, tail not straight and gay on move. **PROMISING**

**2<sup>nd</sup> NO. 6 TANKARLA AKITCHITA** (K. & S. Houston)

Full dentition, scissor bite, light mouth pigmentation, wary presentation, head a bit heavy, good stop, dark eyes, marked zygomatics, medium size ears, a bit large. A bit long in body, croup could be better sustained, rib cage rounded enough, medium angulation and bone, pasterns could be firmer. Medium length fur with red highlights, not thick enough, hair a bit too fine – typical gait. **PROMISING**

**CLASS 04 – INTERMEDIATE DOG: (4 Entered/1 Absent)**

**1<sup>st</sup> NO. 7 BELJEKALI NOBLE KING** (C. Russell/C.A. & J.A. Fynmore/P Hablutzel)

Full scissor bite, slightly light mouth pigmentation, pretty expression, could be more chiselled, triangular ears, a little bit converging. Nice dark eyes, muzzle a bit short, beautiful neckline, topline and underline. Very good bone and angulation. Slightly long in body. Medium length fur, good density, hair a bit fine. Narrow back and front on move. Nice gait, tail well carried. Prefer a bit taller. **EXCELLENT**

**2<sup>nd</sup> NO. 8 GRANDBELGE DECAN** (G. Carroll)

Typical Belgian temperament, typical presentation. Full scissor bite, light mouth pigmentation. Nice dark eye, lacks chiselling, lips could be drier. Excellent neckline, topline and underline. Medium bone. Excellent angulation in front. Pasterns could be firmer and feet more rounded. Slightly cow hocked. Hard to judge gait from what could be seen. Correct length of gait. Open in front, ambles at times. **VERY GOOD**

**3<sup>rd</sup> NO. 9 MIRRIBANDI GRYPHONDREAM** (Lumineux Kennels)

Full scissor bite, dark eye, head a bit coarse, little stop, lips are too loose, cheeks should be drier. Excellent body proportions, croup should be firmer, tail set too low, belly could come down. Good bone, angulation acceptable, coat moulting and undercoat light. Very attentive. Gait long enough, narrow at back and toes in right front. **VERY GOOD**

**CLASS 10 – AUSTRALIAN BRED DOG: (2 Entered)**

**1<sup>st</sup> NO. 11 BELJEKALI JEAN AUBERT** (J. & S. Waring)

Scissor bite, complete dentition. Slightly light pigmentation, muzzle a bit thick, slightly rounded skull, profile slightly concave. Lightish eyes, excellent underbelly, rounded ribs, tail slightly short and very well set. Medium bone, angulation correct. Front feet could be shorter, coat could be coarser and undercoat denser. Chest a bit wide. Correct gait, elbows out on the move. **VERY GOOD**

**2<sup>nd</sup> NO. 12 CH TANKARLA MARNEHANTARDI HIT** (K. & S. Houston)

Large size, a little bit too powerful with a longish body. Full bite with extra P1, light mouth pigmentation. Excellent parallel plains and stop. Forehead a little bit round, lips could be drier. Chest a bit too rounded, topline should be straighter, light boned. Weak pasterns. Soft fur, should be denser. Slight red highlights in a fine coat. Doesn't lift feet enough when moving, narrow at back. Tail deviated. **VERY GOOD**

**CLASS 11 – OPEN DOG: (4 Entered/1 Absent)**

**1<sup>st</sup> NO. 14 GR. CH & HUNG CH ASTN.SVK.INT CH. SR. BERGERAC FAUST IPO1 (IMP HUNG)** (Ms. Maryanne Lund & Mrs. Lynda P. Trotter)

Excellent silhouette, slightly sloping topline, little chiselling, a little stop, nice dark eyes, beautiful ears. Nice neck line with beautiful ruff. Excellent topline, sloping croup, excellent underline, excellent bone, excellent hind angulation, front forward placed, nice length coat, good texture, good density. Correct gait, narrow in front and crosses at back. **EXCELLENT**

**2<sup>nd</sup> NO. 13 BELJEKALI LANCELOT D’LAC** (S. & J. Waring)

Half scissor, half pincer bite. Light mouth pigmentation, lips could be drier, head altogether slightly coarse, could be more chiselled, zygomatics marked, medium size ear, nicely triangular, but diverging. Topline could be straighter, excellent chest, excellent underline, good bone, slightly long in body, weak pasterns at front and feet turn slightly out. Medium size fur, too soft and not quite dense enough. Correct gait, gay tail, close in front. **EXCELLENT**

**3<sup>rd</sup> NO. 15 CH BRIGAND DE LA QUIEVRE (IMP BLG)** (G. Carroll)

Full dentition, pincer bite, excellent parallelism, marked stop, a bit long, thickish muzzle, good eyes, little ears nicely set, but a bit rounded. Short neck, body a bit long, nearly correct croup, excellent chest and underline. Typical angulation, nicely firm pasterns, feet a bit long. Excellent fur. Nice covering gait, good drive, slightly hackneyed. **EXCELLENT**

**CLASS 12A - 7-10 YEARS VETERAN DOG: (2 Entered)**

**1<sup>st</sup> NO. 17 GR CH BELJEKALI DESERT STORM (HIC)** (C.A. & J.A. Fynmore)

Full Scissor bite, teeth a bit worn, head slightly too triangular, lips could be drier, eyes a bit light. Pretty little ears, very well carried. Too well marked zygomatics, slightly rounded forehead, excellent neckline, medium bone, back angulation moderate, feet could be shorter, medium length fur, could be denser, a little too groomed. Very beautiful gait – dynamic, toes in. **EXCELLENT**

**2<sup>nd</sup> NO. 18 CH LA BARRIQUE LA HIGHLANDER** (A.R. & G.A. Harley)

Scissor bite. Irregular mouth pigmentation. Little ears, wide at base, well carried. Dark eyes, roundish, slightly Roman nose, short muzzle, arched zygomatics, slightly rounded forehead, excellent top and underline, excellent chest. Very good angulation. Feet could be shorter. Good length and texture coat and slightly wavy. Good gait, not quite enough drive. **EXCELLENT**

### **CLASS 01A - BABY PUPPY BITCH: (7 Entered/2 Absent)**

**1<sup>st</sup>** NO. 21 – **BELJEKALI TOP FLIGHT (IID)** (Graebelge Kennels)

3 months. Teeth acceptable. Nice dark eyes, flattish forehead, nice triangular ear, a bit too deep. Topline could be firmer and chest more rounded. Very good bone and angulation. Some grey in the tail. Undercoat a bit light, coat beginning to develop and promising. A bit disorganised in gait. Gait little long, could have more drive at back. **VERY PROMISING**

**2<sup>nd</sup>** NO. 24 – **DELAROCHE SHES ALL SPICED** (C. Russell)

18 weeks. Start of scissor bite. Very dark eye, ears a bit too deep, converging for the moment. Good proportion in head, good chiselling, forehead flat enough. Body slightly long, topline could be tighter, correct croup. Excellent bone and angulation. Long tail, well carried. Dense undercoat. The starting fur is too wavy. Excellent drive, already uniform. **VERY PROMISING**

**3<sup>rd</sup>** NO. 20 – **BELJEKALI TINDRA (IID)** (C.A. & J.A. Fynmore)

3 months. Nice teeth, light mouth pigmentation, dark eyes. Good proportions of head, slightly down forehead, start of stop. Excellent chest, good topline, tail set high, good angulation. Excellent bone, good feet. Hair starting to develop and promising. Excellent gait. Already well put together and co-ordinated. White on chest too much, too high. **VERY PROMISING**

NO. 22 – **DELAROCHE ADS SOME SPICE** (C. Russell)

18 weeks. Start of scissor bite. Long narrow head with a bit too long muzzle. No stop and slightly sloping forehead. Corner of lips could be drier. Excellent topline, croup could be firmer. The underline needs to come down. Excellent bone. Very good angulation, front feet could be shorter and tighter. Coat good density but very soft. Good gait, narrow at front. **PROMISING**

NO. 25 – **MOONSHADOW ENCHANTRESS** (R. & L. Kane)

4½ months. Scissor bite, mouth pigmentation light, slightly overlong muzzle with Roman nose. Ears a bit deep and large at the base. Longish body, good angulation, well set tail. Beginning of fur too soft and decidedly wavy. Correct gait. Front pastern and foot turns inwards. **PROMISING**

### **CLASS 02A - MINOR PUPPY BITCH: (2 Entered)**

**1<sup>st</sup>** NO. 26 – **BELJEKALI SPLISH SPLASH** (C.A. & J.A. Fynmore)

6½ months. Complete scissor bite. Good pigmentation of mouth, muzzle a bit long. Good ears, nice dark eyes, a little Roman nosed. Good topline and underline, longish body. Bodyline flat with a narrow chest. Slightly overangulated t back with tendency to be cow hocked. Very little undercoat with a fine hair, lightish culottes, correct gait. The body of the tail is atypical. **PROMISING**

**2<sup>nd</sup>** NO. 27 – **LUMINEUX LADYHAWKE** (Lumineux Kennels)

9 months. Scissor bite. Long head, muzzle a bit too long and narrow. Lack of proportion between head and ears. Good topline, underline and neckline. Medium bone. Tends to have feet turning outwards at back. Excellent coat, good density. Lifts front feet way too much without covering ground. Non-typical ears. **PROMISING ENOUGH**

**CLASS 03A – PUPPY BITCH: (1 Entered)**

**1<sup>st</sup> NO. 28 - GRANDBELGE FELICIA HT** (G. Carroll)

9 months. Full scissor bite. Presents well but very reticent. Good proportion of the head, however, slightly angular. Good longish stop. Topline could be tighter, excellent chest, excellent underline. Medium bone, angulation just enough, well set tail. Absolutely typical coat. **PROMISING (Because of temperament)**

**CLASS 04A – JUNIOR BITCH: (2 Entered/1 Absent)**

**1<sup>st</sup> NO. 30 – CH TANKARLA SAPA WAKAN** (K. & S. Houston)

14 months. Scissor bite. Too thin. Good proportions, but largish head, stop correct. Slightly domed forehead, largish ears, well set. Dark eyes. Good topline, croup slightly sloping. Hip bones prominent. Needs to drop her chest. Medium boned. Good angulation. Coat tendency to wave and really not dense enough. Temperament very reticent. The head too big, not in proportion with body. Excellent gait. **PROMISING**

**CLASS 05A – INTERMEDIATE BITCH (5 Entered)**

**1<sup>st</sup> NO. 35 – CH LUMINEUX TANI** (Paul Baker)

2½ years. Scissor bite. Typical presentation and silhouette powerful but not heavy. Lightish eyes, roundish ears. Good topline and underline. Well set tail. Medium bone, rear angulation just enough. Coat good texture, feel and density. Nice easy gait, temperament alive and playful. **EXCELLENT**

**2<sup>nd</sup> NO. 34 – GRANDBELGE DELLA** (G. Carroll)

19 months. Scissor bite, altogether flattish and thin (underweight). Too much white on chest. Excellent pigmentation. Brown eye. Medium size, well set ears, Roman nose, concave profile. Good topline. Needs to drop chest. Excellent angulation. Light bone. Good texture to coat but a bit short and lack of density, lot of culottes. Good gait. Irregular at front. **EXCELLENT**

**2<sup>nd</sup>** NO. 70 – **GRAESHADOW ANASTASIA** (Graebelge Kennels)

Scissor bite. Very pretty presentation, silhouette, proportion and confirmation. Excellent pigmentation. Medium mask, brown eyes, medium size ears, well carried. Little stop, Roman nose. Deep chest and well descended. Medium bone. Good angulation front and back. Pasterns could be firmer. Medium length coat, good texture and density. Very pale. Excellent gait, covers ground well. Front legs turn inwards. **VERY GOOD**

**CLASS 12A – VETERAN BITCH: (1 Entered)**

**1<sup>st</sup> NO. 72 – CH GRIMMENDANS XERES CD ET (IMP BLG)** (R. & B. Dunlop)

8 years. Scissor bite. Very worn teeth. Very pretty head. Excellent mask and eye. Slightly domed skull. Medium ears, set a bit low. Good body proportions, powerful without heaviness. Excellent chest, correct angulation. Bone slightly light. Feet longish. Coat very warm colour, enough charbonnage, mid length, well dense with a tendency to waviness. Pretty bitch. Good gait, a bit narrow at the front. **EXCELLENT**

**1<sup>st</sup> NO. 74 – CH LANAKEN NOTICE ME** (N.A. Hoffman & R. Keech)

10 years. Full scissor bite. Calm presentation, attentive. Long narrowish head, nice dark eyes. Medium size ears, a bit wide at the base, but well carried. Topline could be shorter and more tight. Excellent chest. Good angulation front and back, correct bone. Back feet turn slightly outwards. Coat correct, length and density but a bit soft. Excellent gait, a bit narrow at the back and narrow at the front. **EXCELLENT**

**2<sup>nd</sup> NO. 73 – DUAL CH (T) BELGENBEAU BE ZED ARINYA** (Ms. S. Trembath)

2¼ years. Full scissor bite, very powerful, lips not dry enough. Excellent mask, good pigmentation, nice dark eye, a little too round. Zygomatics a little too pronounced. Medium ear, very well carried. Nice short body, topline slightly sloping. Loin slightly rounded. Chest could descend more. Bone and angulation correct, could have shorter front feet. Good colour and density coat with good undercoat. Coat a little short, low set tail. Gait covers the ground well, narrow behind. **EXCELLENT**

3<sup>rd</sup> NO. 75 – **TANKARLA SAPA WIWASTEKA** (K. & S. Houston)

14 months. Scissor bite. Little stop, slightly sloping forehead, ears a bit wide at base and low set. Topline could be firmer and needs to drop chest. Bone a bit light. Angulation just enough. Very low set tail. Medium length coat, fine hair, little undercoat. Correct gait, tends to throw front legs. **VERY GOOD.**
