### **Who I am:**

Hi, my name is Seabal Yasin and I am 9 years old I am turning 10 on July the 10<sup>th</sup>.

I have had a lot of different experiences during my life. My first experience was the fear of heights. I was on a swing and it was going very high. It was so scary. My second experience was a happy experience it was when I made new friends. The most boring experience I had was of the adult world because they have the same routine everyday.

At school when I'm in class I'm pretty responsible and when I'm outside I'm mainly cheeky. I like pulling pranks and I'm always up to mischief.

I was born in Australia and my family was born in Africa. My dad was born in the Sudan and my mum was born in Eritrea. I have three brothers and no sisters.

My religion is Islam. At home I speak Arabic and I don't know that much Arabic.

I have light brown hair, I have dark brown eyes. I don't like to wear anything too girly.

I am good at sports and music. I like to sing most of the time and I used to play instruments. My favourite sport is skipping and I know how to do it very well.

I don't like to be bullied or yelled at. I don't like to be forced to do anything and I also don't like it when my parents are angry at me.

I like sweet stuff and I like it when everyone is nice to me.

I have several friends and my top 6 are: Hawa, Bushra, Nihal, Hafsa, Hayat and Ayah.

To students, staff and parents at schools across Victoria,

A big thank you from the Victorian Bushfire Appeal Fund, to all of the school communities who so generously came together to raise almost \$1 million to support the victims of the bushfires.

Your efforts through casual dress day, gold coin donations and other fundraising events have made a major contribution to the Appeal Fund.

This funding is already helping thousands of individuals and families whose homes have been lost or damaged, who have lost loved ones, have been severely injured, or who need assistance with getting back to work.

Along with my colleagues on the independent advisory panel overseeing the allocation of these funds, further decisions are being made about how these funds will assist affected communities in the medium and longer term.

The Panel will ensure that your money gets to those who need it, when they need it.

If you have queries in the future about how your kind donations are being used to help you can visit [www.dhs/bushfireappeal](http://www.dhs/bushfireappeal)

Yours sincerely,
