Classes for 2009

A lot of planning is going into our preparations for the 2009 school year. Our grade structures have now been finalised and will be as follows:-

- Prep with Megan Cox
- Grade 1/2 with Lucy Chetwynd-Cox
- Grade 2/3 with Ellie Bradbeer
- Grade 3/4 with Mary Karayannis
- Grade 5/6 with Emma Kelly

In the last week of the term all students will spend some time in their new rooms meeting their 2009 teachers and class mates .

Next year we plan to run specialist subjects in the areas of Art, Physical Education and Environmental Education and Christopher Burgess will continue in his role as Welfare teacher. We feel confident that the structure we have planned for 2009 will ensure a great learning environment for all students at Carlton Primary School.

Reminder about library books

As we are nearing the end of the year it is time to have all library books returned. If everyone can have a really good look at home for any books that may be “hiding” in those out of the way places, that would be great!

YMCA swimming program

Our swimming program starts next Monday and will run every day until Thursday December 18th. The Carlton pool is solar heated. The swimming program is an important part of our Health & Physical Education program and all children are expected to participate. Permission notes have been sent home with children. These notes together with money need to be returned to class teachers as soon as possible. Classes are conducted by qualified YMCA staff. Parent helpers are welcome to be at the pool during these session times. Children should wear their bathers to school under their uniform and bring a towel and underwear in a plastic bag.
