Behaviour after school

I was recently told about a few of our students being involved in anti social behaviour towards members of the general public after school hours. Such behaviour reflects very badly on everyone at Carlton PS and we must all work together to make sure that it doesn't happen. If any parents see Carlton Primary students misbehaving after school, please let me know straight away and I will follow it up with families. Teachers are on yard duty outside between 3.15pm-3.30pm. From 3.30pm onwards, parents are responsible for their children's behaviour and safety. Any unsupervised students outside after 3.30pm will be taken to the YMCA Aftercare program.

Naming clothes

Please remember to write your child's name on all items of clothing. This way we can make sure that lost clothing is returned. The lost property tub is in the corridor near the toilets. Please feel free to look through it.

Aftercare Bookings

The Aftercare program has lots of children attending now and is running really well. Both school and YMCA staff are concerned about children who are booked into the program but do not attend, as this takes up a space that could be offered to another family. All children booked in to aftercare for that day will be sent straight from classrooms to the multipurpose room at 3.15pm. If parents wish to make changes to their regular bookings, including cancellations, they must contact the YMCA staff directly on **0431964769**.
