## **Mercy Rule**

At the point where a team is winning by 20 goals or more; the scorer or coach will be required to notify the umpire. The losing team will then receive every centre pass until the end of that quarter. At each interval the umpires and scorer/coaches will review the score. If the score is still more than a 20 goal difference the losing team will continue to receive each centre pass until the end of that quarter. If at the interval the score is less than a 20 goal difference then the centre passes will revert to normal.

Please speak to the umpire supervisor if you have any queries regarding this rule. The CNA committee would appreciate your feedback [cburnnetball@optusnet.com.au](mailto:cburnnetball@optusnet.com.au) or speak to any committee member.
