CHANGE OF SECRETARY

After giving her all since January, Megan Reid has resigned as Secretary of the Club, effective Saturday 23rd August. Megan has worked tirelessly to keep the Club going since taking up the role at the AGM last December. She has been one of the only officials and the pressure was lumped on her shoulders. The Club would not be open today if it wasn't for the work that she put in this year.

Megan's son has decided to pursue other sporting interests at this stage and I am sure that the Clubs he is involved in will benefit from Megan's strong commitment to whatever Dylan turns his hand to.

GOOD LUCK MEGAN & DYLAN AND THANK YOU!!!!

Until the next AGM I (Pauline Barton) have assumed the role of Secretary in addition to the duties I currently hold as Treasurer. Donna Baldock has volunteered her time and will be taking care of Memberships.

If you have a membership enquiry, please contact Donna by emailing donna01@impulse.net.au or calling 0417 543198. Mailing address PO Box 775 Bendigo Central 3652.

Canteen

Thank you to Megan Reid, Janice Fleming, Sally Smith and Marg Smith who have been a tremendous help in running the Canteen this year.

CLUB PHONE

We have invested in a Club Phone which will contain messages regarding practice days and the Club Champs. You can also call this phone for general enquiries.

This phone will also be used to SMS members changes to practice days. The number is 0429 809355.

Sally Smith has volunteered her time to man the phone. Please be patient and leave a message if you need further information. Sally will get back to you as soon as possible. THANK YOU Sally for taking this on.

OFFICIALS & FIRST AIDERS

We have had to cancel a number of practice days because we do not have enough officials. We have organised an official's course for Castlemaine Members. We have seven people attending the course which is being run over two Tuesday evenings in Kyneton. Tuesday 9th September and Tuesday 16th September. This will mean we will be able to hold more practice days!!!! Thank you to the members who have volunteered so far. If you are interested in attending (IT IS FREE), please call me on 0418 144 836.

We still need more first aiders. We need at least one official and one first aider to run any event, including practice days. If you are interested and will donate your time at some Club events, the Club will pay for you to do the course. Please contact me if you are interested. If you cannot make it to Kyneton in September, you can do an officials course through Motorcycling Victoria. The next schedule course is in October. Please check it out on their website.

PRACTICE DAYS

I have had to cancel the practice scheduled for Sunday 7th September because I do not have an official. After the course is completed on the 16th September, we will not have this problem. We will schedule some more practices after I talk it over with the group of officials.

It is your Club and we can open as often as you like, but we need one official and one first aider (sorry I am repeating myself) whenever the track is open. Hopefully this will be more often very soon.

The last practice day on Sunday 24th August was a great success and we provided a free sausage sizzle to all the participating members. Thank you to Mark Hauke who was our official on the day.

WEBSITE & CLUB NEWS

The Website does contain the latest information about practice days and club news. The link from the MV website has been reinstated or you can go directly there:

<http://home.vicnet.net.au/~cdmxc/index.htm>

I am getting some help with the website from one of our members (THANKS ROD) and I should be able to post more information. If you have any news regarding your success at other meetings or action photo's of members please email them to me and we will post them on the website and include the updates in the Newsletters. Email kobro@bigpond.com

Racing Licence Renewals

Please email Donna Baldock donna01@impulse.net.au and a signed licence renewal will be mailed once we have validated your membership.

YOU NEED TO ALLOW AT LEAST ONE WEEK FOR THESE FORMS TO BE SENT. DO NOT LEAVE IT TO THE LAST MINUTE.

CLUB CHAMPIONSHIPS

The Club Champs are finally going ahead. It is only two weeks away. We will be running age groups instead of classes for Junior entries. Entry forms setting out the various groupings will be available in the next couple of days. We would like them sent in before we start so that we can ascertain how many people will be competing.
