Dealer's Room

Information

The Dealer's Room is an integral part of any convention. Like a Trade Exhibition, this is where dealers will display and sell SF&F related literature, clothing, merchandise, jewellery, armour, artworks – pretty much anything that may have a science fiction, fantasy or horror theme.

As nearly all members of the convention will visit the Dealers' Room at least once during their time at ConVergence, you will not want to miss out on the opportunity to make your work or wares known to SF&F fans. Members of ConVergence are people who will truly appreciate the value of your goods.

The Dealers' Room is a large secure area located on the upper level of the convention centre. A deposit of \$25 is required now. The full amount of \$75 is payable by 30th April 2002. Please note that all dealers must have a Full membership to ConVergence 2002. The cost per table is only \$75. Reserve your space now.

- Table dimensions are 2100mm x 750mm. Each table is provided two chairs, skirting or draping.
- Every table is entitled to a Dealer Staff Membership. Access limited to the Dealers' Room only.
- Additional equipment such as power points and cabling, signage, TV and video monitors and telephone and/or data lines is available but will be charged at cost and is payable in advance. You should note your additional requirements on your application form.
