

## CAROLINE SPRINGS CRICKET CLUB INC

# “THE FALCON’S” FLYER

VOL 7/05-06’

9 February 2006

Hello and welcome to the 1<sup>st</sup> edition of the 2006 “Falcon's” flyer.

### **Reminder:**

All registration forms and fees to be returned to Fabian Morgan, 13 Charlesworth Crescent, Burnside by Friday the 18<sup>th</sup> of August.

Players, Parents and Members of the Caroline Springs Cricket Club.

Welcome back as we start gearing up for season 2006/07.

Firstly, I wish to advise everyone of our new committee structure for the upcoming season. The following people were elected to represent our Club at our well attended AGM back in May.

President : Shane Alexander

Vice-President : Laurie Morgan

Treasurer : Brenda Lyons

Secretary : Vanessa Pereira

#### General Committee

Fabian Morgan : Registrar

Jeremy Anthony : Junior Club Delegate

Rob Chafer : Milo Cricket Co-Ordinator

Nicki Moore : Fundraising / Social Co-Ordinator

Lyndon McGrath : Publicity Co-Ordinator

Mohsin Shafiq: Sponsorship Co-Ordinator

After 3 tireless years as President, Mr. Colin Richardson decided not to stand for re-election this season. Colin was also our Vice-President, Milo Cricket Co-Ordinator and Treasurer at different times over that period and I wish to thank him and the previous committee for all their efforts.

It is now time to look forward and for the first time in a number of years we are fortunate to have both a full Executive and General Committee, all of which have already begun working extremely hard to get the season off to a flying start. Offers of assistance have also been forthcoming from a number of people within the club and I would like to recognise a few of those, namely Rachel O’Riordon as Junior Co-Ordinator and Peter Campbell as our new Website Manager. Thank you to these people for the commitment you have given. If you believe you are able to offer assistance in a particular area then please feel free to contact me.

#### Registration Day

The Caroline Springs Cricket Club is one of the fastest growing organisations in the local area. As such our ground allocations and training facilities have been stretched to the limit in recent seasons. We are currently in negotiations with the Melton Council to ensure that the facilities we are able to offer are sufficient to meet our growing demands. We have had no guarantees from Council as to the number of grounds we will have access to this season. Ground allocations will be dependant upon a number of factors, one of which is the number of members we have.

I would strongly recommend that you get your forms in and register if you intend on playing this season to ensure that you are allocated a place in a team.

We are also currently looking to fill all coaching positions with advertisements being placed in both the local media and around the local community. Please give some consideration regarding applying for one of these roles. Interest can be expressed either in writing to the club PO Box or at one of the Registration days.

### Sponsorship

There will be a number of exciting initiatives occurring throughout the Club this year. For the first time ever we have secured a 2 year Major Sponsorship deal with **APC Logistics** who have contributed significantly to our Club. As part of the sponsorship agreement all players will be required to wear a cricket shirt with the sponsors' logo and the Caroline Springs Cricket Club emblem on it. This shirt will be supplied to each player as part of their membership package. I will talk more about all of our sponsors as the season progresses and the benefits they bring to us all.

As I mentioned earlier we have a young new recruit to look after our Club Website this season. Peter Campbell, an emerging star in our junior ranks, has recently revised the website adding some new details and information and will continue to do so throughout the season. Peter has some exciting ideas to implement and I look forward to seeing what appears as the season progresses. I would therefore encourage you all to log-in and take a look when you are next on the internet.

Finally, I look forward to a successful and enjoyable season with you all. If you have any suggestions please feel free to approach either myself or any

other Committee member throughout the season.

Best wishes,  
Shane Alexander  
President
