Dean Bulner and Rohit Dhillon combined together with a 44 run partnership before Dean was dismissed for 13 and Rohit for 22. The team achieved the goal set to bat the 24 over's. Glen Orden chasing the total, were lucky with some chances and past the total with to spare.

Although the game was lost, there were some promising performance. The players have been very committed to make this a successful season after narrowly missing the finals last season.

Seniors A Grade Round 1

Caroline Springs v Altona Sports (away)

SCORES;

CAROLINE SPRINGS 6-142 lost to **Altona Sports 4/163**

Adam Spiteri 31
Kunal Bedse 37
W. Keily 42 Not Out

GAME SUMMARY:

Well, what can I say – what a sensation debut season I experienced with a wonderful group of people & the greatest "team" I have played with last season. The boys had a "never say die" attitude & belief in one another that I had never seen or experienced before.

With such success last season, the expectation & pressure is on

the A grade side to have the same level of success this season. Despite a limited pre-season, I feel we have the personnel & attitude to achieve back to back premierships this season. I would like to acknowledge Rob Chaffer (Assistant Coach), Wayne Keily (Vice Captain) & Brett Cooke (Seconds Captain) in assisting me with coaching, training & team selections. I would also like to welcome all new players to the club.

Having said that, our season didn't start to well. With limited numbers we could not field a second's side & A Grade lost our first game – not without a fight. I was happy with our batting performance, Kunal Bedse & Wayne Keily were the standouts, but our bowling let was down in the end. We were on top for most of the game, but just could finish the game off.

Under 13's Green Round 2

Caroline Springs (Green) v Sunshine Heights

SCORES;

Caroline Springs (Green) defeated **Sunshine Heights**
6 – 128 3 – 75

Aaron D'Cruz	21	retired
Nathan Borg	20	retired
Mickey McLaughlin	20	retired
Johaam Forbes-Anthony	14	not out
Matt Huckstepp	12	not out
Mickey McLaughlin	1	– 1
Nathan Borg	1	– 2
Matt Huckstepp	1	– 6

GAME SUMMARY:

Caroline Springs opened the match with a mixed batting order, ensuring all members of the team had opportunities to bat. The decision quickly backfired with some nervous calls and running between wickets. Caroline Springs was soon at 5 – 11 before the more experienced players put some solid partnerships together with several members retiring and also a couple of not outs. From 5 – 11 the boys finished at 6 – 128.

Caroline Springs' bowling and fielding effort was excellent. Sunshine Heights was never in the race and while not losing many wickets, their run rate remained conservative and they finished at 3 – 75. Mickey, Nathan and Matt got a wicket each but it was a solid all round fielding performance that helped win the game.

Another good win, well done TEAM.

Under 15's Blue Round 2

Caroline Springs Blue V sunshine United

Firstly, Wylie & Ken would like to welcome James Louey to our team & wish him the best for the season.

Well done to all members of our team who made runs. Special mention for SAM TON who scored 20 runs in a partnership with JAMIE STOMILOVIC who made the highest score for the day with 33 runs. Captain TEWARI REWETI then followed with a score of 26. HASEEB QURESHI scored 15 & ANTHONY ZOVAK 11 runs. Overall for our first game of the season the team performed well with a score of 171 runs. It was a good effort by all. The other team were better on the day but we are looking forward to our next match and hopefully a win.

Senior A Grade Round 2

Caroline Springs v Melton Centrals (home)

SCORES;

Caroline Springs 189 def Melton Centrals

Phil Cobby 47

Wayne Keily 5-7

Matthew Vine 3 catches

GAME SUMMARY:

Back to our winning ways. What a great result. Phil Cobby's magnificent 47 set the win up after a sluggish batting performance. We bounced back with ball this week & our fielding was of a very high standard. Wayne Keily had the fine figures of 5-7 & Matt Vine bowled great line a length. This was a great team performance & hopefully sets the tone for the rest of the season.
