*Excellence in Health Libraries*

## Excellence in Health Libraries

Health Libraries Inc. is an exciting group of Information Professionals who are committed to the promotion of health information, resource sharing, professional development, consortia planning and implementation and great service to the community that we serve.

### Governance

A committee of elected members meets monthly to plan the annual program of events and manage the administrative duties relating to finances, memberships, subscriptions etc. All functions of the Committee are undertaken in accordance with Model Rules for an Incorporated Association as cited in the Associations Incorporation Act 1981 – Schedule 5.

Members are welcome to nominate for the Committee and are encouraged to make suggestions for inclusion in the annual program.

**Membership entitlements include:**

### Health Inform

The journal *Health Inform* is published in April, August and December, and contains feature articles, international, national and local news, product information and reviews, and much, much more. Health Inform is a vital tool for keeping members and others working in the Health sector well informed.

The editorial team is constantly sourcing relevant material to be included in the journal. Details for the submission of articles can be found on the HLInc web site.

The **HLIinc Web site** provides up to date information on HLIinc activities, news and links to other relevant sites.

The **HLIinc Email list** allows all members to keep in touch. Register with the list by accessing the web site.

### Professional Development

HLIinc holds regular events throughout the year, with the aim to enhance professional development, provide information and networking opportunities to our members. The annual conference is held in October of each year and monthly activities are held, including training, demonstrations of new products and software and social events. Members receive a discount on the registration for the conference and are admitted free to most monthly events.

### The Pat Nakouz Award

Members can apply for financial assistance of up to \$1000 annually to attend conferences, professional development opportunities or undertake research. Full details and application form available on the website.

## HLI Conference

This conference provides Health Libraries, and interested participants, with interesting guest speakers and key papers as a feature of this day filled with great networking opportunities and social connections.

The trade displays, scrumptious food and great information round off a great day

**Mark your diaries....**

The HLIinc Email list and the website will contain details of each conference along with registration forms, venue, sponsors and trade displays information.
