Trivia Night Success! ...

It might have been a while ago, but it has not been forgotten! The trivia night was held back in July and was a tremendous success. Everyone enjoyed themselves, and this year the winning table contained none other than David Sellick, Heathmont T.C. president, himself! Last year he was on the losing table, so he must have spent a good 12 months playing *Trivial Pursuit* and watching *The Einstein Factor*!

The night raised approximately \$800 for the club. Congratulations to the auction winners of the mystery bag: Daniel and Andy.

Many thanks must again go to Kellie Harmer for organising the night! She had a bunch of willing helpers too including: Rebecca Walsh, Jan Crapper, Matt Burns and David Sellick.

Of course it also could not have happened without the support of our generous sponsors. These are local businesses so try and give them some of your business!

Look Good on Court ...

HTC have employed some of the top designers in Australia, and have recently released a line of tennis apparel for all ages.

The apparel is of excellent quality and is reasonably priced! Additionally, a small amount from each sale goes back towards the club!

Please see the order form on the back of this page for details.

Get your gear on and support HTC!

Night Tennis! ...

Night tennis is a fantastic way to get playing – especially if you have no time to play on weekends. It's a little more social than weekend comp too!

We are especially looking for mixed teams to play on Wednesday nights. So if you've got a couple of guys and a couple of girls who want to play, give Philip Jay a call and tee-up an entry.

Ladies only teams play Monday nights, and men's only play Tuesday. Again contact Philip for entries.

As a bonus, night tennis only memberships are discounted, so you can encourage your friends to join and play with you!
