### NEWSLETTER JANUARY 2009

Happy New Year to everyone.  
Hope we see some good tennis at the Australian Open.

Club championships results are detailed on the next page. Thanks to all members who took part.

An area of the whiteboard in the clubhouse has been set aside for members to write suggestions for improvements that could be made around the club. If people have any wonderful ideas, please share them.

#### Friday Night Social Tennis

The last social evening in December was well attended. The next one will be held on **Friday February 6th** from 6.30pm onwards. Free sausage sizzle. BYO salad, drinks and any other food. Cost is \$2 members, \$5 non members and \$5 family members. This covers the cost of the lights and balls. Junior members to be accompanied by an adult please.

#### Working Bee.

A general working bee will be held on **Sunday February 22nd** at 10am. If you can put aside a couple of hours it would be very much appreciated.

#### Watering and Court Care

Good news all three tanks are almost full so we are looking good under stage 3a Water Restrictions for the dry months ahead.

A reminder that courts need to be bagged all the way to the back fence. Juniors playing over the holidays are especially reminded to water the courts before they play and bag them when they are finished.

Court 3 was recently damaged by people playing on it unwatered, thanks to Rob Peterson who repaired the damage.

#### Saturday Afternoon Seniors Tennis

Competition commences on **Saturday 1st February**. Members wishing to play winter competition should confirm their intentions to Nick Sheehan by **Wednesday 11th February**.

Ferntree Gully Association commences the new summer season on **Wednesday February 4<sup>th</sup> 2009**.

Junior competition commences on **Saturday 1st February** and Juniors wishing to play winter competition should confirm their intentions to Rob Peterson by **Wednesday 11th February**.

Eastern region winter competition commences on 2nd May (because of ANZAC day falling on the preceding Saturday).

- Parker canteen. We have a new arrangement with HE Parker Reserve Tennis Club. Previously we used the courts for Saturday morning junior competition free of charge and Parker organised and retained the profits from the canteen, which was staffed by HTC parents. We are now paying to hire the courts, Loraine & Shay are running the canteen & HTC is retaining the profits. We now also open up the clubhouse ourselves on a Saturday morning. Parents may have noticed a few teething problems with this arrangement, but your patience is appreciated while we get a workable system up & running.
