

International Conference on Adaptive Science & Technology

10-12 December 2007

Accra, Ghana

Advancement through innovation & education

ICAST SPONSORSHIP

Sponsorship has two main forms or hybrids thereof: **in-kind sponsorship** or **financial sponsorship**. An in-kind sponsorship can be something like paying for conference venue, hiring a car to transport conference delegates between destinations (airport, hotel & conference venue), or/and making conference souvenirs (badges, pens, notepads or bags). Revenue generated from sponsorship will be used principally to fund the cost involved in organising the conference. Any surplus will be used as seed money for subsequent events.

Please see next page for the conference account details which enables you to pay your sponsorship contribution. Thanks
