Age Group Calculation

There is often confusion around registration time as to which age level the players will be graded into. The Summer season works on the player's age as at the **1st of July preceding** the start of the Season. As a result it is quite common for a child who has already turned 8 to play their entire Summer season in the Under 8s. These are the rules given to us by the EDJBA and the same rules apply for all member clubs of the EDJBA. To simplify this we have included the following table to help clarify this:

	Birth Date
UNDER 8	On or after 1/7/2001
UNDER 10	1/7/1999-30/6/2001
UNDER 12	1/7/1997-30/6/1999
UNDER 14	1/7/1995-30/6/1997
UNDER 16	1/7/1993-30/6/1995
UNDER 18	1/7/1991-30/6/1993
UNDER 20	1/7/1989-30/6/1991

Grading Requests:

If you have any requests or feedback for the coaching committee for the upcoming grading please feel free to add your comments in the space provided below. If you have multiple children on this request form please make it clear which child the comments or requests relate to.

Grading of so many players can be a difficult task. Whilst the coaching committee will endeavour to satisfy your request, no guarantees can be given. Ultimately the players will be graded in the team that best suits their needs, the needs of the club, and the needs of their fellow players.
