Outstanding Achievement Award

Patrick Kipping

“Patrick has been our highest ranked national swimmer in nearly achieving a national qualifier for the open water swimming and also achieved a national qualifier for 200m back but was unable to swim because of his age group. Patrick also showed those true Laurie Lawrence traits as mentioned in the coaches’ report. Patrick was prepared to train long hard and often.”

Captain’s Award

Rebecca Welsford

“This year’s Captain’s Award recipient is Rebecca Welsford. We have chosen her because of the positive attitude she brings to training, competitions, and all other aspects of the club and the sport, not only for herself but also in encouraging and supporting others. Further to this, she was the only person to swim the 10km event at the Hazelwood Sauna Swim, and did exceptionally well in placing second and winning a silver state medal. She sets a good example for younger and older swimmers alike, can be counted on to lift and inspire herself and the people around her when the going gets tough, and is one of the most involved members of the club.”
