

Is your child bored with swimming lessons?

But not quite ready for squad swimming?

Then you need Superfish!

Superfish is an exciting new swim program for middle years primary school children. Superfish is run by Kew Swimming Club – the oldest incorporated swimming club in Victoria.

Superfish is fun!

Superfish allows your child to put their swimming skills into action. It's a great transition for children who need something more than swimming lessons.

Children learn valuable skills from a qualified coach and develop their fitness in a fun and secure environment.

Give Superfish a splash test!

When: Every Sunday, 4:00 – 4:45 pm
Where: Strathcona Baptist Girls Grammar School
34 Scott Street, Canterbury

Phone Head Coach, Darren Tullberg on 0409 635 643 for more information. Visit the Kew Swimming Club website at:
