HERITAGE TRAIL

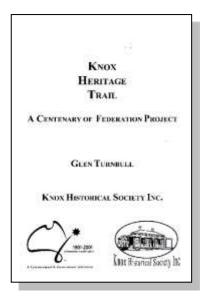

The book, "KNOX HERITAGE TRAIL" was researched and written by Glen Turnbull on behalf of the Knox Historical Society Inc. as part of a Centenary of Federation Project 1901-2001.

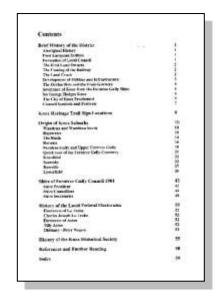

The project covered the manufacture and installation of twenty-six informative signs at historic locations within the City of Knox together with this sixty-page well-presented book published in 2002 detailing those locations and the book included other background and historic information about the City of Knox as listed in the Contents.

The Society is once again, offering this book as a worthwhile addition to your collection of local history books.

The book can be purchased at Ambleside Homestead for \$12.00 or can be purchased and posted for delivery to any address in Australia by Australia Post (AusPost) for an extra cost of \$5.00 in a AusPost firm paper envelope or in a heavier cardboard envelope for \$8.00.
