What is Kiwanis?

Kiwanis is a world wide service organisation which dates back to 1915 and came to Australia in 1967. It is an organisation of men and women who want to work towards improving their community. As a group, they can achieve what individuals cannot do alone.

These men and women attend Kiwanis club meetings to enjoy the fellowship and to gain inspiration as well as perform voluntary community service.

You never know who may be at a Kiwanis Dinner meeting.

Mooroopna Kiwanis Club

The Kiwanis Club of Mooroopna was organised in 1978 and since that time the club has done vast amounts of community work, raised money and touched the lives of many people and families in the Shepparton/Mooroopna region both directly and indirectly.

By assisting Kindergartens, Schools, Hospice Care, the Salvation Army, Red Cross as well as town beautification projects such as planting trees, building shelters, BBQ's, etc.

It is not always hard work at working bees.

We can help our community without the added costs of administration. We need to continually build on this tradition and accordingly we continue to invite people in the community to share this experience with us.

Who can join?

Kiwanis welcomes men and women of good standing in the community. The cost is low, considering the tremendous satisfaction Kiwanis membership provides.

With the assistance of Kiwanis, Secondary College Students spend their school holiday break painting and decorating the Cubby House at a Mooroopna Kindergarten.
