### Stocktake - Thank You

Many thanks to all those who were able to generously give their time to help at the stocktake over January. It was so successful that it was completed in three days instead of four! This meant that on the fourth day we were able to achieve a great deal of rebagging and cleaning which was great! THANKS! As a result of the stocktake we spent \$600 on new toy bags to replace torn and damaged bags.

We also deleted a lot of old tattered puzzles and some of the older worn out and damaged costumes.

### Fundraising

Despite very few members purchasing toys from the toy catalogue last year with this and what the toy library itself ordered we raised \$120 in vouchers. We plan to use this to purchase some new puzzles.

After our success with the Chocolates last year we are arranged to sell *All Natural Confectionery Co. - Natural Snakes* this year. Full details will be provided on a separate flyer.

Coming up on the 2<sup>nd</sup> April we have family portraits again this year. Please speak to Joy for an appointment.

In May we plan to do a 'Sock it to you' drive, selling woollen socks and other woollen products.

We are also planning to sell cards and envelopes for card-making later in the year.

### Changes to Management

We have recently had a number of changes to the committee. Our president Joy Jensen and our party pack co-ordinator Kim Jensen have recently moved their family back to Queensland. An enormous vote of thanks goes to both Joy and Kim for their tireless enthusiasm and commitment to the Toy Library over a number of years - we will miss them!

Many thanks to the new members who have stepped forward to fill some of the gaps:

- Kylie Durant (previously vice-president) is acting President.
- Annette Dodson has taken on the Party Pack coordinator Role.
- Melanie Buckley has taken on Toy Rebagging.
- Louise Slavnic has joined as a general committee member.

Good Luck and welcome to our new committee members!

### New Toys

A number of new toys have been purchased over the past few months, as a result of the \$4300 council grant received last year. Photos of some of the toys are displayed on the toy library pins boards.
