

MERRICKS  
YACHT CLUB  
WAS FORMED  
IN 1963 BY AN  
ENTHUSIASTIC  
GROUP OF  
MERRICKS  
SAILORS WITH  
THE EXPRESS  
PURPOSE OF  
PROVIDING A  
SAILING CLUB  
AND A VENUE  
FOR LOCALS  
TO GATHER  
AND SOCIALISE.

Thank goodness they did. Today we have a club that is a multi-purpose social centre welcoming members of all ages and interests, whether they be sailors or novices alike.

What makes Merricks unique is a strong tradition of community spirit and involvement. We focus on families and have grown the tradition of activities being enjoyed by members young and old, summer after summer.

The club actively promotes sailing, fishing and other water sports as worthwhile and rewarding pastimes – activities that have become part of the Merricks way.

Our sailing program includes an extensive racing calendar both at Merricks and nearby clubs. This program also has a sail and powerboat-training component with an emphasis on increasing the competency levels of our members, especially in regards to safety.

Cruises are organised both formally and informally, providing a perfect opportunity to explore fabulous Western Port in the safe company of good friends.

The club is not just for active sailors. Many of our members use the facilities to launch their fishing boats often returning with a fish or two.

The many social functions are always a success and include activities such as post race drinks and formal dinners. A highlight is the range of activities for our young members and their mates. It's fantastic watching friendships span years with the club as a common theme.

Come and make yourself known at the club, join in as a crew member on a boat, enjoy the social activities or just soak up the atmosphere, but certainly be part of the Merricks Yacht Club as it is in turn a part of the Merricks community.
