Hi all, Just a quick one.

You'll find somewhere else in this issue the final 2001 point score, which has been amended since the last version due to some new info being provided. See it does work if you send in the info.

The winners to receive trophies are as follows:

Outright:

Stephen Dunbar	Escort/260Z	1st
Mark Sichlau	Stanza/180B/Kart	2nd
Derek Dentry	Holden C'dore VN/Kart	3rd

Racing:

Rupert Rodrigues	Datsun 1600
------------------	-------------

Rally Driver

Fabian Apps	Toyota Corolla
-------------	----------------

Rally Navigator

Adam Read	Toyota Corolla
-----------	----------------

We have not awarded an additional trophy to those disciplines where only one event constituted the club championship.

Congratulations to all the winners. Hopefully I will have trophies at the AGM.

Spook is now not permitted to compete in more than one discipline or face whatever punishment the club committee can devise.

In late breaking news, here are the results of the current Monash members (as far as I know) from the first round of the 2002 Victorian Motor Racing Championship and resulting pointscores:

	Race 1	Race 2	Race 3
Improved Production			
Paul Rule	8 th	16 th	8 th
2lt Sports Sedan			
Rupert Rodrigues	6 th	8 th	5 th
Campbell Andrea	11 th	14 th	11 th

Race 3 is the pointscore race for the State Championship/Series.

Racing			VMRC 1	
			Pos	Points
1	Rupert Rodrigues	Datsun 1600	6	10
2	Paul Rule	Holden Torana	11	5
3	Campbell Andrea	Datsun 1600	12	4

No other results have been forwarded for this year.

Cheers,
Campbell

Could this be your last chance to enjoy this forest before it is locked away from rallying forever?

For the competitors – enjoy plenty of competitive kilometers on a variety of roads and minimal time wasted on transports.

For the spectators – enjoy a number of viewing points – guide available.

For the official – enjoy being close to the action at your own spot in the forest.
