

A Great Example of Interclub co-operation

Below is a photograph of **Russell Dale**, President of the Fitzroy Club, presenting a cheque for \$7000 to **John Barry**, President of Williamstown. This amazing sum of money was raised by the Fitzroy Club for donation to the Rocan Trust. As you no doubt know, the trust was set up by our club to raise money for research into ovarian cancer. The founder of the project, **Yvonne Moon** (who has done so much to promote Rocan in the district) is also in the photograph along with Russel's wife and fellow Fitzroy Rotarian, **Joy Dale**.

It would be great if you could publish the photo in the District newsletter. It's a great example of interclub co-operation.
