

President: Graeme Glasson (03) 9395 4325
Secretary/Treasurer: Andrew Miles (03) 9399 8612

The Rotary Club President/Secretary as addressed.

The Western Suburbs Life Education (WSLE), committee is seeking a new chairperson. The committee meets monthly and the chairpersons role is to –

- Conduct the meetings
- Maintain a committee of about 5 to 6 people, including –
Secretary, Treasurer, Minute taker and OH&S / Maintenance coordinator.
- Ensure committee meets monthly and reviews monthly reports from the Educator, Treasurer and OH&S representatives.
- Support the Educator in their job, ensuring that the operation runs in a cash positive or neutral position.

To ensure the operation continues to be viable, the educator needs encouragement to promote the concept to primary schools in the West, and maintain a throughput of 8,000 to 9,000 children per year. An important part of the educator's role is to also maintain a good working relationship with the existing client schools as well as the volunteer partners – (Westgate Transport and Corke Instrument Engineering).

The committee is currently in a sound position having virtually a full schedule of schools for 2007. The Chairperson, Mr. Graeme Glasson' has recently resigned. There are no suitable candidates on the current committee able to fill the vacancy, so the group is searching for a new leader.

The person most suited to this role needs to start at the beginning of the 2007 school year and requires skills in Management and Fundraising and would be ideally middle aged, possibly a Rotarian or other service club member, and ideally be still working and in a company leadership role with a number of business contacts.

Projects for the future include:

- Assimilation of the new educator into the program
- Continue to replace our older Committee members with new younger people.
- Oversee the internal technology upgrade in the van, (approx \$38,000).

If you think you, or someone you know, would be a suitable candidate for this role, please contact past president Graeme on 0419 108 565, or Vice chairman Frank Fleming on 0418 399 721 to request a role description.

Frank Fleming
Interim Chairperson
