

On Monday, 1st August we had a very successful meeting for our Committee, who were given an update about the Rotary Foundation by P.D.G. John Reddish, Zone 8 Rotary Foundation Co-ordinator for Australia and New Zealand.

Our Committee Members' responsibility is to work with Clubs to arrange a Rotary Foundation Program/Speaker. District Governor John Wigley's challenge this year is to encourage contributions of US\$100 or approximately AUD\$132.00 per member, to the Rotary Foundation through Club contributions and personal contributions through the Centurion Program.

The Committee mirrors the Cluster Group system, and are as follows:
