

“Gav” continues his travels accompanied by AG Marjorie

AG Auburn, Marjorie Gerlinger, has been squiring Gav around her cluster of the past week or so – wonder if her husband, Bernie knows about the other man in her life?

From RC of Glenferrie, “Gav”, accompanied by Marjorie travelled to Kew on Yarra and then he somehow was foiled in his attempt to take over the RC of Boroondara.

Concerned about his health, we await to hear further reports from Marjorie.
