

WANT A SWISS UNI STUDENT IN YOUR FAMILY?

Jorg Schlapfer is a 21 year old Economics student with the University of St Gallen in Switzerland. Jorg is to study at Melbourne University for the first semester of 2006, is keen on tennis, hockey and politics, and is seeking a Rotarian family to home-host him for about 4 months from mid-February 2006.

While not part of a youth exchange program, Jorg's request has been forwarded, and enthusiastically supported, by the Honorary Chairman of the Swiss Youth Exchange Committee. Jorg's father is in Swiss political life and is a member of the Rotary Club of Frauenfeld-Untersee.

If any Rotarian can offer to host Jorg during this period, please contact Geoff Asher, (Outgoing Chairman of D9800 Youth Exchange Committee) on 9571 3833, 041 750 9426 or at gasher@optusnet.com.au
