

## NATIONAL YOUTH SCIENCE FORUM

The new NYSF 2007 Guide, poster, brochure and Rotary Procedures Brochure were posted to every Rotary club and Year 11 high school/college just prior to Easter. Major changes to the image, procedures and dates for the 2 NYSF Sessions in Canberra are proposed and will take effect for the 2007 Sessions. In view of the changes, the mail out to Clubs and Schools was delayed.

As a result, please note the CLOSING DATE FOR APPLICATIONS TO CLUBS IS NOW 15 JUNE 2006, not May 15 2006 as in the Brochure. Final interviews will be held at International House at a date to be advised; either the last Saturday in July or the first Saturday in August. Students are encouraged to complete their applications on line through [www.nysf.edu.au](http://www.nysf.edu.au) .

However students should still take a hard copy of their application to the suggested Rotary Club for consideration. All enquiries should be directed to the D9800 NYSF Chair; Keith Ryall on 9347-3988 (w), 9439-5007 (h) or 0418-589-144 (m) or via [kfryall@adesse.com.au](mailto:kfryall@adesse.com.au) 2005 was an extremely successful NYSF year for our District; let's make 2007 an even more successful one.
