

One of Melbourne's worst traffic snarls is being eliminated with works well advanced on the \$150 million Tullamarine-Calder upgrade at Essendon Airport. In September drivers will be able to travel on the first new citybound Tullamarine Freeway lanes.

On Sunday 27 August between 10 am and 3 pm come along and sneak a peek behind the blue fence to see the works now underway.

- Walk or ride along the freeway to the top of the new Tullamarine bridge
- See construction plant and equipment in action
- View a simulated drive-through of the new roads
- See the project model and displays
- Roving entertainment, giveaways and lots of family fun
- Enjoy our Sunday sausage sizzle (proceeds to Essendon North Rotary)

Entry by gold coin donation to Essendon North Rotary for community projects in the City of Moonee Valley.

Enter from Bulla Road Strathmore (opposite DFO) Melways 16 D10.
For details call the Tulla-Calder Info line on **1300 857 923**.

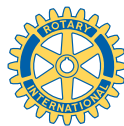

Win one of five \$100 shopping vouchers from DFO

Simply complete this entry form and drop it in our prize draw barrel on **Sunday 27 August** at the **Tulla-Calder Project Open Day**.
