

It is with great pleasure that the *City of Ballarat* in partnership with
Australia India Business Council (Vic Chapter)

invite you to attend a business luncheon with

Honourable Mr John Brumby MP

Treasurer, State of Victoria

Friday 17th February
12pm – 2pm Bell Tower (Balanada Room)
1845 Sturt Street - Ballarat

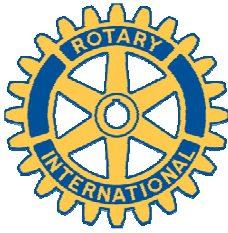

The luncheon will be an opportunity to hear from The Hon. Mr John Brumby MP on the directions of the State Government in growing relationships between India and Victoria and the impact the Commonwealth Games are having on building this relationship. He will also talk about the growing strategic opportunities available to Victorian businesses through the ongoing nurturing of these relationships.

A focus of the luncheon is also to raise money for the Tsunami house rebuilding project in Paravaipet village in South India. This is a Rotary project which comprises building 44 permanent homes. Each home costs \$6,500 to build and Rotary is seeking contributions for six homes to commence construction.

The City of Ballarat is committed to raising money for the construction of a home from this event. An allocated amount from the ticket price will be donated to the project.

This event will provide an opportunity for open communication between City of Ballarat, regional business people and Australia India Business Council members. Business opportunities have been identified and brought to fruition through this relationship and both parties are committed to ensuring further opportunities are identified.
