

From the District Secretary

I have received the District attendance figures from Rtn Peter Lamping (District Attendance Officer) who is doing a remarkable job under very difficult circumstances, and that is because the lack of Clubs reporting to him.

Each Club Secretary has the responsibility to forward these reports on a monthly basis; refer page 54 Current District Directory.

Peter Lamping's email [attendance@rotaryd9800.org](mailto:attendance@rotaryd9800.org)

It is a requirement for **all Clubs** to report Meetings held and the percentage of members attending, on a monthly basis. Can the 53% of Clubs that didn't send Peter a report for last month's meetings (December) please make it a matter of urgency, and to do so now. I also would request that the Clubs that haven't bothered to send any reports start to do so now. (To those of you that are doing so, please keep up the good work.)

We can all benefit, with some meaningful statistics, which will in turn benefit the DG in his reporting of the District's monthly returns showing the percentage of attendance of our members and the number meetings being held each month. It is also important that a monthly report of the number of members in your Club is reported to District through Mel Gray by the 15th of each month.

I look forward to these requirements being met and ask all Assistant Governors to ensure appropriate action is taken to ensure that this monthly reporting takes place.
