**Colin MacLeod & Braemar**

Colin is one of Australia's finest Scottish fiddlers – scintillating to watch and hear! Joined by Braemar, of whom it's been said (kindly we presume!) "there's nothing delicate about these lads". A night for the

brave hearts !?

9<sup>th</sup> April

**Nick Charles** is something of a legend at Breizoz – he was the first act we booked, and returned to another packed house the following year. He has a strong following wherever he plays, so we're absolutely delighted that he asked to come back again in '09. He must really like seamen's missions !!!

14<sup>th</sup> May

**Vince Brophy** Another rollicking Breizoz regular, Vince draws his material from his rich Celtic/Aussie background. His enthusiasm is totally infectious. Vince is

launching a new CD tonight.

11<sup>th</sup> June
