

Oral History Handbook

Fifth Edition, 2006

by Beth M Robertson

The *Oral History Handbook* was first published by the South Australian Branch of the Oral History Association in 1983 and has been in print ever since. It is well established as the national standard.

The author draws on 25 years experience of practising and teaching oral history techniques and preserving sound recordings.

Contents include:

Introducing Oral History
Preparing for the Interview
Copyright and Oral History
Developing Questionnaires
Recording Equipment
Digital Recording Standards

Interviewing Techniques
Summaries and Transcripts
Funding for Oral History
Guidelines of Ethical Practice
Commissioning Oral History
Recommended Reading
