JUST FOR FUN

Daniel Contribution Classic English Irish Scottish

'Y'know', said the Scotsman, 'I still prefer the pubs back home. In Glasgow there's a little bar called McTavish's. Now the landlord there goes out of his way for the locals so much that when you buy four drinks he will buy the fifth drink for you.'

'Well', said the Englishman, 'At my local, The Black Bull, the barman there will buy you your third drink after you buy the first two!'

'Ahhh, that's nothing', said the Irishman. 'Back home in Dublin there's Ryan's Bar. Now the moment you set foot in the place they'll buy you a drink, then another, all the drinks you like. Then when you've had enough drinks they'll take you upstairs and see that you get laid. All on the house.'

The Englishman and Scotsman immediately scoffed at these claims, but the Irishman insisted that every word was true. 'Well', said the Englishman, 'Did this actually happen to you?'

'Not me meself, personally, no', said the Irishman, 'But it did happen to my sister'.
