

## SUNBURY LITTLE ATHLETICS POINTS SYSTEM

SLAC has developed a points system, based on what is often referred to as the 'frewin tables', that recognizes the individual performances of each athlete.

### How do the points work?

Throughout the track and field season, each athlete receives points for each event they participate in, based on the standard of their performances.

At the end of the track and field season, points gained for all events each athlete has competed in are tallied up, providing each athlete with an aggregate score for the season. These aggregate scores are then used to determine the track and field season **Age Group Awards**, and the season **Junior Boy and Girl Trophies** and the **Senior Boy and Girl Trophies**.

The Centre's point system is based on 60 points equaling the Centre Record, carried over from the previous season for that particular event. Points are aligned to equal increments above and below the Centre Record.

The following is only a small sample of the overall table, for the 100m sprint:

	Under 7		Under 8		Under 9		Under 10		Under 11	
Time Record	Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls	Boys	Girls
