

# Sunbury Little Athletics Centre Inc.

Dear Parents,

As you aware, the Cross Country Competition is run by volunteers. We are reminded each Saturday morning by the officials that all parents of children competing need to help run the events. All clubs in our Region are to supply 2 officials/helpers for each competition day.

Could you please write down/insert your name in the calendar below to ensure we have two Sunbury parents on duty for each competition day.

Please give the completed form to Dean Millane who will make sure we are covered for each cross country competition.
