

TSA
Bayswater/Boronia Templer School

TERM 3 NEWSLETTER, 2008

It was great to see that several families could take part in the incursion organised with the Bentleigh School: **Of Fairies, Monsters, Ghosts and Creatures**: Contemporary German Children's Book Illustration held at the beginning of September. This was a hands on workshop with participants producing interesting collages.

For those of you who missed the seminar - Raising Children in More Than One Language held on the 31st August, the handouts are available on our website: http://home.vicnet.net.au/~tempsoc/templer_german_school.htm or www.templers.org and click on German School.

Erika English (past parent) has been helping out in the Reading program on Tuesday evenings this term and we thank her for that. Every bit of reading practice our students get is valuable.

Details of the excursion postponed from earlier this year will be notified soon.

Excerpts from our Annual Report to the TSA that you might find of interest:

- 21 students currently enrolled
- \$2000 grants received from Victorian Multicultural Commission (VMC) for Professional Development (PD) of teachers and VELS PD.

The full report will be available online in October.

The last meeting of the Parents Consultative Committee for 2008 will be held on the 21st October @ 5pm. If you have any issues or concerns to be discussed at this meeting, please let Doris Frank know beforehand.

Term 4 begins on the 7th October and ends on the 9th December.

Please keep the last night of German School for 2008– the 9th December, free. The teachers have planned a Schnitzeljagd and BBQ at the Hall to celebrate the end of the year. Parents and families of the German School students are all welcome! More details closer to the date.

Greetings from

the German School team
