TTC News

April 2003

President's Report

Hi Everyone,

Thanks to the club members who attended the AGM on 24th March. We now have the following Executive Committee:

President	Karen Sanocky
Vice President	Pam Lloyd
Treasurer	Keith Hawkins
Secretary	Kerryn Richter
Social Secretary	Lindon Way
Committee Member	Simon Adams
Committee Member	David Kristitz
Committee Member	Stephen Chan
Committee Member	Sue Dee

Welcome to Kerryn and Sue I hope your time on the committee proves to be enjoyable. Thank you to outgoing members Margaret and Angela. Your input and help was invaluable.

Please note fees are now due and payable before April 24th. Many fees were paid late last year and it has become a big problem. As discussed at the AGM the committee will if necessary exercise the right to enforce the new member rule as per the club's constitution, and also ban non financial members from competition play. Simply the new member rule would mean the payment of the joining fee and the submission of an application to join the club. If you are having difficulty with payment please contact myself or Keith Hawkins to make alternative arrangements. Please refer to the copy of the constitution on the kitchen bench in the clubrooms to read the relevant section heading 'Joining Fee and Annual Subscription'.

The committee is asking for sponsorship from members for carpet roses which will be planted in the garden beds in front of the clubrooms . Forty roses have been purchased and the gardener is preparing the beds so they can be planted after winter. He thinks this will be the best time for planting. If you wish to donate between \$5 - \$15 please pass the money on to any member of the committee. After all sponsorship money has been collected a plaque will be organised for the clubrooms, it will list all sponsor names.

If anyone has an idea or a preference for a social occasion please let me know. There will be a Pokie trip to Yarrowonga the weekend of 14/15 June. If you are interested in going contact Lyn Way on 9338-3731.

Another reminder to turn Court 5/6 light on first, wait 10 minutes before 3/4 and a further before court 2.

Karen

Tuesday Night Ladies

We are now into the last four rounds of this season.

The season has been very successful, with all 5 teams currently in the four. We wish all teams good luck for the remaining 4 rounds and hope they can all manage to make the finals.

Applications for the spring 2003 season will be available at the clubrooms and from team captains from April 29th, and also in the May newsletter.

Carol Broomfield - Tuesday Night Co-ordinator.

Baby Boom

Congratulations to Leanne and Simon Adams on the arrival of their son Spencer. We wish you the very best.
