TTC News

July 2003

General News

A big thank you to all of the members who have generously donated to raise money for the carpet roses. So far the club has received \$300 from this drive. The planting of the roses should start in the next few weeks.

The trivia night on the 19th of July is fast approaching. Details of the night are included later in this newsletter. Please organize tables of up to 10. We have arranged a different group to run this years event, so it will have a different format to the last few nights.

Ladies, keep the 13th of September free. The tennis club is organizing a shopping tour in time to get your Christmas presents early. Details of the day are enclosed.

For anyone that has boxes for the Chocolate drive, please remember to return your money (or the chocolates) to Lindon or a member of the executive.

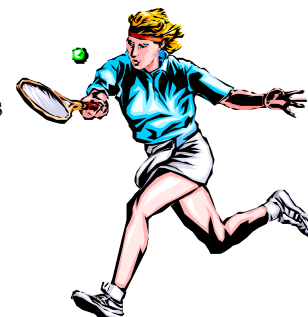

Mid Week Ladies

Hi everyone, time for another update from our Mid-week ladies competition. We had a very successful Autumn 2003 season with all three teams making the finals. Section 12 finished 3rd (most impressive considering our previous efforts), but unfortunately lost in the semi. Sections 3 and 7 both made it through to their Grand Finals and were both unlucky not to bring home the flag.

Thank you to Elza Stacic, Sue Sicari and Cathy Reid for their support as captains and I thank them for agreeing to take on the job again for next season. Thank you also to Sue Dee for agreeing to captain our new Section 14 team.

The following are the teams for the next season. There are a few new names and we welcome

these girls to our Mid-week family!!
