Modification of IAAF Rules for WMA Athletes

AGE On first day of competition.

START RULES Masters athletes are not required to use starting blocks and do not need to start from a crouched position or have both hands in contact with track.

In any race, athletes who are charged with a false start, as determined by the head starter, shall be warned. Athletes who are charged with a second false start in the same race shall be disqualified.

Two or more age groups, men and women, may compete together provided there are separate results for each group.

When expected performance times have been submitted by entrants for laned events then the following lane draw is used; fastest in lane 4, second fastest in lane 5, third fastest in lane 3, next best in lane 6, then lane 2, then lane 7, then lane 1 and then lane 8.

THROWS Two hands must be used to throw the hammer and weight.

POLE VAULT & HIGH JUMP Both feet must be off the ground during the vault or jump. Masters' competitors are

allowed to touch the landing area before clearing the bar but may not use the landing area to any advantage as determined by the Field Judge.

When a high jump or pole vault competition includes competitors in different age groups and there is only one competitor left in an age group, that competitor shall have the right to have the height of the bar raised in terms of applicable IAAF rules, even though other competitors in other age groups may still be competing. Said competitors must continue in the normal progression and may not jump at these special heights.

HURDLES Competitors in hurdling events must hurdle with a continuous motion thus ensuring that both feet must be off the ground for at least an instant.

STEEPLECHASE In steeplechase events, competitor may hurdle or vault the barriers or step on the top rail in continuous motion but may not climb them. The hands or feet may touch only the top surface of the barrier and no other part of the body may touch any part of the barriers.
