## **Day 2: Marsupials**

Program for marsupial training

8.30 - 9.00am	Registration
9.00 – 10.30am	<b>General husbandry &amp; hand-rearing</b>
10.30 – 11.00 am	Morning tea
11.00 – 11.30 am	<b>Possums – husbandry and disease</b>
11.30– 12.30pm	<b>Wombats – husbandry and disease</b>
12.30 – 1.30pm	Lunch
1.30 – 2.30pm	<b>Macropods - common diseases and treatment</b>
2.30 – 3.30pm	<b>Koalas – husbandry and disease</b>
3.30 – 4.00pm	Afternoon tea
4.00 – 4.30pm	<b>Echidna – husbandry and disease</b>
4.30 – 5.00pm	<b>Seals and general discussion</b>

### **OBJECTIVE:**

An overview of handrearing husbandry as it relates to all species is given. Each animal species is then discussed in terms of its particular husbandry and disease. Echidna and seals are included for discussion. Although they are not marsupials, they are commonly seen by wildlife carers.
