First Muster - What a Day!

What a day for our first Horsey Muster on Sunday 30th March!

The skies were clear and the food was wonderful.

We had a great turn out with new and old members both riding and social. Some of our members have picked themselves up a new pony over our long break. A fun day was had with a huge focus on practice for our up and coming Sporting Day in April.

OPEN SPORTING DAY

**** 20th APRIL ****

WPC will be running our first Sporting Day for 2008 on Sunday, 20th April.

As we are now GREEN Zone, all that we require for holding this competition will be a WAYBILL. Two copies will be needed, one for you and one for us to keep on file. Please have these prepared before you travel. It will make it so much easier for us on the day.

A finalized Program is available on our website (it was also emailed mid March).

As always, helpers will be needed on the day for judging, scoring, setting up and pulling down as well as in the canteen. If everyone can give up some spare time, it makes the day run smoother and the club looks better to those who have come from outside clubs.

MUSTER - 13th April

Our April Muster will be held on the 13th April from 9am. Gates open from 8.30am. Canteen will be functioning and events will be set up for the Open Sporting Day that will be run the following week.

GEAR CHECK will be done PRIOR to anyone mounting in the morning.

Don't forget to order your lunch early in the day so that it can be prepared and ready to go for you at our lunch break.

Annual General Meeting - Done and Dusted

Our AGM has been held and the Committee has been appointed for the 2008 year. Please congratulate our new committee and help them in any way to make our little club a great one. Committee members are listed on the front page.

NEW Fridge and Freezer fully functional. They look great too!

CANTEEN FULLY FUNCTIONING

With the Grant that our club was lucky enough to receive, the Canteen has benefitted from a few new bits and pieces and what a difference it makes.

Thanks to Kay and Karen for getting it all sorted out and functioning, I know my burger tasted wonderful on Sunday!
